2021 Annual Meeting Officer Reports

Welcome to our once again modified 56th Annual Meeting of the HCMH Auxiliary. Due to increased cases of COVID-19 we will not be hosting an in-person annual meeting this year for the safety of our members and community. The HCMH Auxiliary board is also currently without a president due to a relocation, therefore there is no presidents report this year.

Please read through our 2021 Annual Report and submit your annual or lifetime membership dues either online at www.humboldthospital.org, mail in to the HCMH Auxiliary or pay for your annual dues while you shop at Genevieve's with cash, check or credit!

We would like to thank all Board and Auxiliary Members for supporting the endeavors of our organization. We could not repeatedly be providing quality support to our hospital, senior living facilities, community, and the patients we serve without the GREATLY appreciated staff, volunteers, officers, and committees. THANK YOU!

Membership

The HCMH Auxiliary Membership for 2021 is 175 members. We have currently 56 Life Members. Our annual dues are \$10.00 for yearly Membership, and \$150 for Lifetime Membership. A constant goal of this Committee is increasing our membership. This year your Auxiliary Board worked very hard to recruit new members. We are proud of new members we have acquired. We DO still need your help. Please help us to grow in our support for our hospital and your Auxiliary. COVID has hindered obtaining new members, but we know you can help!

Your dues enable us to provide three \$1,000 scholarships for students in the Class of 2021 who are pursuing careers in the medical field, and for advanced educational opportunities to our hospital staff. We also provide needed equipment for the Hospital. We just really need your support. You may join on line at www.humboldthospital.org under the Auxiliary tab, in Genevieve's Cafe and Gift Shop, or mail a check to the HCMH Auxiliary, 1000 15th Street North, Humboldt, IA 50548. We would also ask that you update your address and phone numbers when you renew. Thank you for your continued membership and support.

Scholarship

The HCMH Auxiliary Scholarship Committee was able to present three \$1,000 scholarships to members of the Humboldt High School graduating class of 2021. Each of these young ladies had excellent grade point averages, completed the application process and is going into a health care related field.

- **Kylie Moser** daughter of Bob and Tammy Moser will be attending Iowa State University majoring in Biology. Kylie's future plans include entering medical school to become a Physician.
- **Abbie Orness** daughter of Kate and Craig Orness will be attending Iowa State University majoring in Kinesiology. Abby plans to continue her education after ISU to become a Physical Therapist.
- **Esmeralda Santillan Tejeda** daughter of Gabriela Tejeda will be attending the University of California Berkley majoring in Biological Sciences. Her future plans include medical school to become a Physician. Her goal is to become a Neonatal Specialist.

\$1,000 Continuing Education scholarships are available each year for students who are pursuing a career in a Health-related field. We encourage past High School scholarship recipients and any other students who are in any Health-related field to complete an application for the continuing education awards. The Continuing Education Scholarship applications are available at the registration desk at the Humboldt County Memorial Hospital. The guidelines for the award are printed on the application form.

Two Continuing Education Scholarships were able to be awarded in 2021 to applicants meeting the guidelines printed on the scholarship application.

- \$1,000 was awarded to **Elizabeth Reynolds** to continue her nursing education at ICCC.
- \$1,000 was also awarded to **Danielle Glissman** to complete her Bachelor of Science Degree in Nursing.

These young women are presently employed at HCMH in the Long-Term Care Unit.
